PLUNGE POOLS

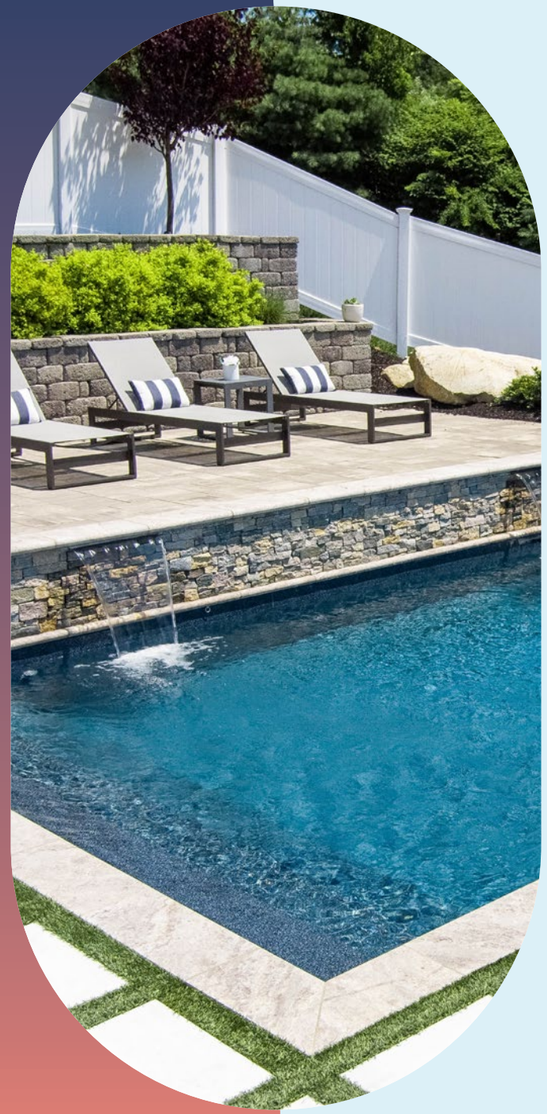

Slip into Something Comfortable

Small in size, big on experience—plunge pools are making a huge splash, and it's easy to see why. Compact enough for any outdoor space while offering greater convenience, faster installs, and a host of customizable features, they are the perfect escape to dip, sip, and let loose. Add a touch of sophistication to your home with Latham, the leader in luxury and quality pools, now offering six Plunge Pool designs in fiberglass and vinyl fit for your backyard—and your lifestyle.

The Latham Advantage

Built to last, easy to maintain, with options for your needs—Latham Plunge Pools are crafted to turn any outdoor space into the ultimate retreat. Indulge in entertainment and rejuvenation for years to come—right in your own backyard.

INDUSTRY LEADER
Latham, The Pool Company™, has been a trusted designer and manufacturer in residential pools across North America, Australia, and New Zealand for over six decades.

PREMIUM BUILT QUALITY
Crafted with the highest quality fiberglass and vinyl materials, Latham pools are built to last, offering years of worry-free maintenance.

COMPLEMENTARY COMPONENTS
From panels and liners to steps and safety covers—our pool systems are designed to work seamlessly together.

MADE IN NORTH AMERICA
All Latham products are manufactured close to home, ensuring top-quality pools that meet stringent standards.

EXTENSIVE SUPPORT
Latham provides extensive training for builders, so your pool is installed with precision and care.

Why Fun-Sized Over Full-Sized?

JUST ENOUGH POOL
Latham's Plunge Pools maximize serenity and entertainment, with generous lounging for all occasions. Our smaller sized models are ideal for compact yards while also adding a luxurious touch to larger spaces.

EFFICIENT EXPERIENCE
From faster, more affordable installs to energy efficiency and lower chemical usage, you can worry less and splash more.

FLEXIBLE OPTIONS
Options includes fiberglass designs **Milan** and **Enchantment** and the **Calypso** vinyl series in four designs across an assortment of sizes, shapes, and features.

LASTING INVESTMENT
Backed by a Latham lifetime warranty for peace of mind.

COVERST*R

Both fiberglass and vinyl liner Plunge Pools are **Coverstar Autocover-ready**, ensuring safety and convenience with the touch of a button.

FIBERGLASS

High-Class in Fiberglass

Wade a minute—why choose fiberglass? The go-to material for hot tubs and high-end yachts is the pinnacle of luxury and longevity, offering durability, seamless maintenance, and a silky-smooth finish for decades of indulgence.

Enchantment

Milan

FEATURES

SWIM-UP SEATING
Submerged lounging at your “beverage bench” for effortless relaxation.

SLIP-RESISTANT STEPS
Safe and easy entry for every dip and sip session.

LIFETIME WARRANTY
Latham’s unmatched warranties reflect our commitment to quality and care.

ENGINEERED TO LAST
Fade, stain, and scratch resistance keeps your Plunge Pool pristine.

CRYSTITE COLOR TECHNOLOGY
Choose from a stunning array of exclusive colors and finishes—from vibrant hues to earthy tones.

FIBERGLASS LAMINATE CONSTRUCTION
The industry’s strongest material, built to last.

CUSTOMIZABLE FEATURES
Bask on tanning ledges, plus bubblers, lighting, and beyond to customize your sanctuary.

Milan

Material: Fiberglass
Size: 10' x 16'

VINYL

Vibrant, Versatile Vinyl

Blending beauty and practicality, our all-new Calypso vinyl liner Plunge Pools come in an array of configurations to elevate any outdoor space (or cocktail hour). All that's missing is a garnish.

Calypso

FEATURES

EXCEPTIONAL QUALITY
Enjoy premium vinyl with antimicrobial and UV inhibitors, plus sturdy Ultra-Seam Technology all the way till last call.

SWIFT INSTALLATION, INSTANT SATISFACTION
Dip and delight sooner with faster installation than any other pool type.

TAILORED DESIGNS FOR EVERY BACKYARD
Calypso configurations are fit for any taste, from tanning ledges to benches.

ACCESSIBLE ENJOYMENT
Have the luxury of a dazzling plunge pool—without the hefty price tag.

HEAT-RETAINING MATERIALS
Proprietary thermo-insulated panels provide warmer water at lower energy costs, allowing year-round amusement for less.

FLEXIBLE INSTALLATION OPTIONS
No yard is off-limits with versatile inground or semi-inground setups.

CHIC SHADES
Stardust Blue and Stardust Grey bases sparkle in the sunlight—like sugar on the rim.

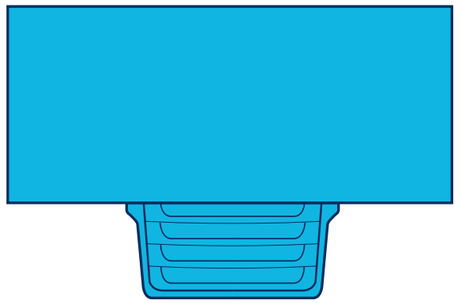

BUILT-IN BEAUTY
Create a sleek and contemporary look with integrated vinyl-over steps with the added benefit of incorporating unique features like tanning ledges.

Lounge-ify Your Lifestyle

Ready to mix it up? Here are some tips and ideas to personalize your Plunge Pool.

TOP IT OFF

Our fiberglass and vinyl Plunge Pools are **Coverstar Autocover-ready***, offering safety and savings at the press of a button. Escape your worries by guarding against curious kids, playful pets, and nature's debris. Plus, reduce energy costs with Coverstar acting as a passive solar heater, boosting water temps by up to 10 degrees.

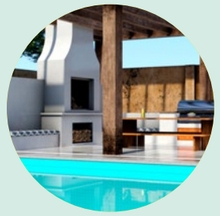

Up to 90% reduction in water evaporation

Up to 70% reduction in pool heating costs

Up to 50% reduction in electricity costs

Up to 70% reduction in chemical usage

COVERST*R

HAPPY HOUR HAVEN

Complement your Plunge Pool with an outdoor kitchen or bar, transforming it into a dazzling centerpiece for summer feasts and social soirées.

LUXE LOUNGE

Enhance relaxation with stylish seating, plush lounges, and vibrant pillows.

LIT NIGHTLIFE

Place a fire pit near your Plunge Pool to set the mood for crackling evenings under an enchanting starlit sky.

DESERT OASIS

Pair desert plants like succulents or cacti to sandy tones for a backyard refuge—perfect for stargazing on cool, breezy nights.
